

11th Annual Conyers Car Show

in conjunction with

The Taste of Conyers

May 5, 2018

Dear Prospective Participant,

Redline Event Production and the City of Conyers invite you to the 11th Annual Conyers Car Show. This year's event will be held on Saturday, May 5 from 11:00 am until 4:00 p.m. in the Historic Commercial District of Olde Town Conyers on Center, Commercial, and Railroad Streets.

Participants will have a rare opportunity to show their vehicles in an intimate setting on the barricaded streets of historic Olde Town Conyers, and compete for prizes and awesome trophies. There will be ample space for local businesses and organizations to promote their business and/or goals at one of our vendor areas, and we encourage each of them to come for the day. Please plan to attend and share with us your awesome car, your exciting business, your wonderful wares, and a sense of community.

We are anticipating a record number of entries for this event along with vendors, exhibitors, and much more. In order to make this year's event a success, we are asking local corporations, businesses, and organizations to join us as sponsors. Our goals for this event are to help bring attention and continued prosperity to Olde Town Conyers, to provide a venue for local businesses to promote themselves, to provide an inexpensive day of fun for local families, and to benefit the Walk of Heroes - Veterans War Memorial with a portion of the proceeds.

If you would like to be a part of the show, please contact us at redlineeventproductions@yahoo.com, or complete and return the enclosed forms. *Please read the enclosed information carefully.* Fees, paid in full, are due with your completed application. Send only one check to cover all fees. All checks will be deposited upon receipt and checks should be payable to **RedLine**. (A \$30.00 charge applies to any returned check) Pre-registration for cars is encouraged and will receive a \$5 discount. Vendors must pre-register and pay applicable fees prior to April 28, 2018.

We appreciate your interest in the show and look forward to receiving your application.

Sincerely,
Teresa Robertson
Show Director

Definitions of Classes

Original – This vehicle should be in as close as possible to the way it originally came from the factory. Any modifications made to the vehicle will cost you points. (Examples such as re-painting or re-upholstering). Tires, batteries or other normal wear items are understood and do not count against you. Depending on the number of changes that have been made to the vehicle, you may want to consider Restored or Modified/Custom.

Restored – The vehicle should be rebuilt to as close as possible to the way it came from the factory. Anything other than original equipment will cost you points. Tires, batteries or other normal wear items are understood and do not count against you. Depending on the number of changes to the vehicle you may want to consider Modified/Custom.

Modified/Custom – Non-stock cars that has been changed from the way it originally could have come from the factory either by drive train modification, suspension, custom body make over, interior changes etc.

Specialty – Includes home made vehicles or any vehicle that does not fit any of the other defined classes.
